

*DETROIT, MICHIGAN
21 - 27 APRIL 2010*

Join us for the 2010 Study Tour to Detroit, Michigan. This International learning experience will give you a unique opportunity to network with Fleet Industry professionals from Australia, New Zealand and North America. Learn about new developments in fleet technology and management practices and take the experience and knowledge of your international peers back to your organisation.

The tour consists of site visits with top executives from a diverse range of organisations, held in the two or three days prior to the National Association of Fleet Administrators (NAFA) Industry and Expo. Attendance at the NAFA I&E in Detroit, Michigan from 24 - 27 April 2010 is also included and provides you with over 90 hours of education and networking opportunities with fellow fleet professionals.

The registration cost includes the site visits, ground transfers in Detroit and full registration to the NAFA I&E. Prices are still being negotiated, but as a guide, the registration cost for the 2008 Study Tour was \$1,650 (ex GST). Special rates for hotel accommodation and flights will also be negotiated but the booking of travel and accommodation is the responsibility of the delegates.

For more information on the NAFA I&E, go to www.nafa.org where you can view information about past Conferences and the preliminary program when it is available.

To register your interest in attending the 2010 Study Tour, please supply your details below and return this page to the AfMA office by email (info@afma.net.au) or fax (03 9866 1304).

Yes! Please send me information about the 2010 Study Tour as it is available.....
